Irish National Framework of Qualifications (NFQ) or Equivalent⁶

⁶ This excludes learners enrolled in courses that do not lead to an award through a recognised awarding body.

Definition of Terms

Activity

The sum of learners multiplied by the number of courses which they have been enrolled in or completed within a programme or across different programmes, or providers during 2020.

Certification Rate

The sum of only full and partial learner completions that gained an award through a recognised awarding body in 2020.

Certified Completions

In the FET sector, not all learner completions lead to an award through a recognised awarding body in the FET sector. Therefore, certified completions refer only to the total number of certified completions in 2020.

Completions

Total number of learners who have a finish date of a course (regardless of whether the course is certified or not) in 2020. Completions include partial and full completers, but exclude early leavers.

Enrolments

Enrolments are defined as learners who are on course or have completed a course during 2020.

Field of Study

This is defined and categorized by the International Standard Classification of Education (ISCED). Both broad (2-digit) and detailed (4-digit) fields of study are used for categorising Further Education and Training course fields of study.

Partial Completions

Learners who have completed more than 25 per cent but less than 90 per cent of a course and its requirements in 2020.

Inactive

This term is used according to the Eurostat and the International Labour Organisation (ILO) definition which defines inactive as individuals who are neither employed nor unemployed and are not working and not available or looking for work. Inactive in this report includes those learners engaged in home duties, retired, student/trainees, and those inactive for other reasons.

Irish National Framework of Qualifications (NFQ)

This is a framework through which all learning achievements may be measured and related to each other in a coherent way. The many different types and sizes of qualifications included in the NFQ are organised based on their level of knowledge, skill and competence. In some cases, where awards have not been placed on the Irish NFQ, equivalent levels are assigned based on the document 'Qualifications can cross boundaries' and the level assigned to the award on the relevant country's framework (e.g. Cf. Ofqual, Scottish Credit and Qualifications Framework, etc.).

Non-NFQ Aligned courses

This includes completions with certification not aligned with the NFQ.

Learner

A unique individual who has progressed onto a course in the application process. The total number of learners is the sum of all unique individuals in Further Education and Training in 2020.

Long-lasting Condition

This includes anyone who has: 1) blindness or a serious vision impairment, 2) deafness or a serious hearing impairment, 3) a difficulty with basic physical activities (e.g. walking, climbing stairs, reaching, lifting or carrying, etc.), 4) an intellectual disability, 5) a difficulty with learning, remembering or concentrating, 6) a psychological or emotional condition, and/or 7) a difficulty with pain, breathing, any other chronic illness/condition.

Long-term Unemployed

This refers to any person who is unemployed for 12 months or more.

On Course

This refers to those learners who were still on course as of December 31st, 2020.

Full Completions

Learners who have completed 90 per cent or more of the course and its requirements in 2020.

Post-secondary Non-tertiary

This refers to Post Leaving Certificate NFQ Level 4 or 5, Advanced Certificate NFQ Level 6, other non-NFQ aligned FET, Certificate NFQ Level 4, or Certificate NFQ Level 5.

Short-cycle Tertiary

This refers to third level non-degree courses and includes higher certificate NFQ level 6 courses and diploma NFQ level 7 courses. These courses are usually of one year in duration and are often vocational in nature.

Third Level

This refers to Ordinary Bachelor degree, Honours Bachelor degree, Professional, Post-Graduate, Doctorate or Higher degree courses.
